Bethan Laura Wood for Moroso, London Design Festival 2018

Mono Mania Mexico exhibition seen in London for the first time

Moroso's London showroom unveils an exhibition entitled Mono Mania Mexico with new furniture and textiles by Bethan Laura Wood. Seen for the first time in the UK, the exhibition will highlight the creativity and dynamic character of Moroso to its fullest with a dramatic installation and special events for London Design Festival 2018.

Bethan's trips to Mexico were her first taste of Latin America's hot palette of colour and pattern; that sensory experience distilled into an obsession with the stained-glass windows of the new basilica of Our Lady of Guadalupe in Mexico City. Bethan's interpretation of this amazing building has led to a series of works that subtly reference the craft of embroidery from traditional Otomi textiles.

On show will be new fabrics, furniture, tapestries, vases and rugs designed by Bethan Laura Wood for Moroso.

Moroso's Clerkenwell showroom is two floors of gallery space dedicated to showcasing a broad selection of furniture and textiles for both contract and residential applications.
